

## Science Year 1.

### **Working scientifically:**

- I can ask questions and know they can be answered in different ways.
- I can look closely, using equipment.
- I can do tests.
- I can name and group.
- I can use my observations and ideas to suggest answers to questions.
- I can collect and record data to help answer questions.

### **Animals including Humans:**

- I can spot and name a variety of common animals.
- I can spot and name a variety of common animals that are carnivores, herbivores and omnivores.
- I can describe and compare the structure of a variety of common animals.
- I can name, draw and label the basic parts of the human body and say which part of the body is to do with each sense.

### **Materials:**

- I can tell the difference between an object and the material from which it is made.
- I can name a variety of everyday materials, including wood, plastic, glass, metal, water, and rock.
- I can describe some everyday materials.
- I can make groups of materials based on what they are like.

### **Plants:**

- I can name some common wild and garden plants, including deciduous and evergreen trees.
- I can name and describe the basic structure of a variety of common flowering plants, including trees.

### **Seasonal Changes:**

- I can explain changes through autumn, winter, spring and summer.
- I can describe the weather in autumn, winter, spring and summer and that the days get longer and shorter.
