

Curriculum Statement of Intent

- Our curriculum at Teversham is underpinned by Christian values and aims to inspire all our children in their learning.
- The curriculum will enable children to explore, discover, flourish and achieve their best.
- Our broad and balanced curriculum provides opportunities to link knowledge and skills across areas of learning.
- Our curriculum is enriched with experiences which celebrate the opportunities in our local area and raise aspirations

Art and Design Curriculum Statement

- Our Art and Design curriculum aims to inspire, engage and challenge pupils to produce their own works of art, craft and design and to explore ideas fuelled by their own creativity.
- We teach children to think critically and develop a rigorous understanding and appreciation of art, craft and design.
- We help children to equip themselves with a valuable set of skills and knowledge that can be deployed in other areas of the curriculum.
- We teach our children about the art and design that is part of our national culture, how it reflects and shapes our history and how it has contributed to the creativity and wealth of our nation. We encourage our children to be curious and have high aspirations by both exposing them to local art and experiencing local artists.
